

Minutes of special Town Board meeting held October 12, 2010.at 11:50 AM in Supervisor's office, 3816 Italy Hill Rd., Branchport, NY. PRESENT: Supervisor Jones, Councilmen Folts, Simmons and Stewart, Deputy Town Clerk McKay.

Councilman Stewart questioned if Sprague Insurance could put the Town of Jerusalem together with the Town of Milo for health insurance purposes. Supervisor Jones reported that State law prohibits forming a consortium when an employer has less than fifty eligible employees. Maybe the Town could get support from Yates County to change this with the State.

Councilman Simmons will follow up with Yates County Legislators regarding expanding our insurances like Tompkins County.

Worker's Compensation was discussed. Councilman Folts belongs to the Farm Bureau's worker's compensation insurance and has received 40 % back of premiums paid. Councilman Simmons would like the Town to look into the Farm Bureau's worker's compensation.

With there being no further business, Councilman Folts moved and Councilman Simmons seconded to adjourn at 12:00 pm.

Respectfully submitted,

Jennifer M. McKay  
Jerusalem Deputy Town Clerk
